Welcome to all first-year arts educators on behalf of the Iowa Model of Excellence Mentoring Program, and the Iowa Alliance for Arts Education. We thank you for attending the Fall Mentor Symposium for First-Year Arts Educators.

This day is the result of the cooperation of six professional organizations working together to assure that every student in the state of Iowa receives a quality arts education.

THE MODEL OF EXCELLENCE MENTOR PROGRAM IS DESIGNED TO IMPROVE THE QUALITY OF ARTS EDUCATION THROUGH MENTORING OF FIRST-YEAR ARTS TEACHERS.

Program innovations include: identification of first-year teachers, assignment of both "active" and "observation" mentors (area-specific), development of a communications network to assist the mentoring process, development of a first-year teachers symposium, and the awarding of scholarships to join professional organizations and attend state conferences.

The Iowa Model of Excellence Mentoring Program is designed to enhance, not supplant the established local/district/state mentoring programs. The program is tailored specifically to the individual teacher and teaching situation.

The information presented ranges from "survival" to "mastery" skills needed to be successful in the arts classroom, and helps to:

BUILDS PROFESSIONAL COMMUNITIES THROUGH MENTORING, NETWORKING AND COLLABORATION.
